Register for the 2008 Regional Arts Australia Conference, 'Art at the Heart'

Early bird registrations close this Friday 1st August.

Arts OutWest is encouraging artists, community and cultural workers and volunteers from the central west to register for the biennial Regional Arts Australia conference, Art at the Heart, to be held in Alice Springs over October 3rd – 5th.

Art at the Heart provides an important opportunity for artistic and cultural exchanges, cross cultural collaborations, as well as examining the best approaches to working in the arts.

Regional Arts Australia's Vice President, Steve Grieve, said Art at the Heart will draw artists, arts workers and volunteers from across the country.

Artists, actors, academics, arts workers, curators, filmmakers, musicians, performers, producers, students, volunteers, writers, all levels of government and the wider community will gather in Alice Springs to discuss, celebrate and experience the arts achievements of regional Australia.

It is important that organisations and projects from our region are represented at the conference, as it provides a vital networking opportunity.
