26 October - 18 November

The Wildest Garden Party Ever

A Workshop by the Blue Tongue Crew

Orange Botanic Gardens

Kearneys Drive or Hill Street, Orange NSW

You're invited to

THE WILDEST GARDEN PARTY EVER!

The Blue Tongue Crew are running theatrical workshops for primary school aged children as part of InSITE Out 2007.

Mythical creatures will emerge out of the environment.

Mud monsters will menace and flower fairies will frolic.

Who else is hiding in the oak trees, the billabong, the bushes?

Who knows what else will bloom this spring?

The Blue Tongue Crew are BA (Communications: Theatre/Media) students from Charles Sturt University in Bathurst, conducting a final research project.

Workshop facilitators open with a short performance, posing an environmental problem to the children.

The characters lead them on a journey to three stations to help them create solutions. Children will play improvisation based physical theatre games to develop their own characters, learn a call and response and a movement style for their character. At the end of the workshop the children will perform what they have learnt

The workshops challenge children to use their imaginations and express themselves creatively through movement, drama and singing.
